

Subject: CSWC Operational Period Summary 1800 January 17 to 0600 January 18 2014

WEATHER:

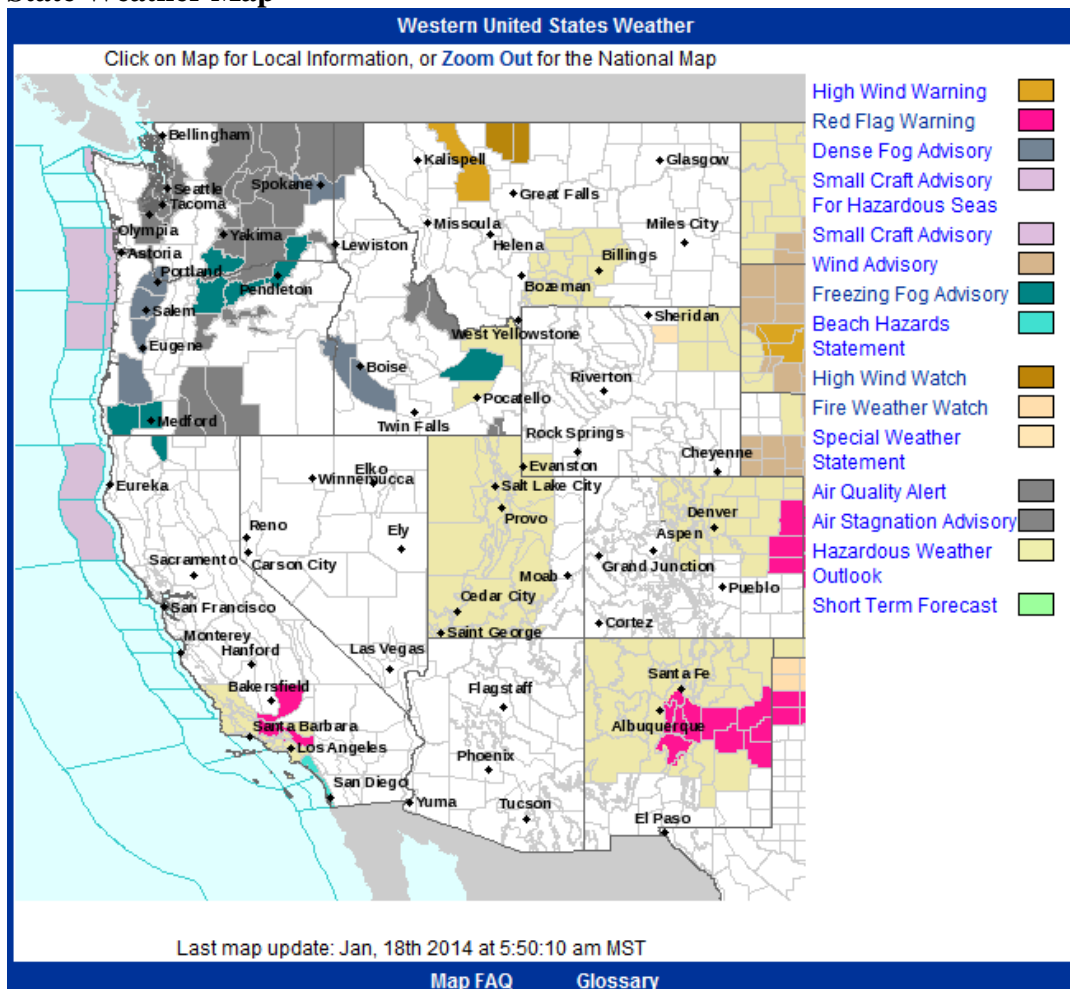

Northern California

Continuing high pressure over the West Coast will bring sunny days through the coming week. Although trending slightly cooler, afternoon highs will remain 10 to 15 degrees above normal.

Southern California

A slight cooling trend will occur through the weekend with additional cooling by mid-week as an area of low pressure approaches the forecast area. High temperatures will still remain above seasonal normal through early next week. Periods of high clouds are expected through next week.

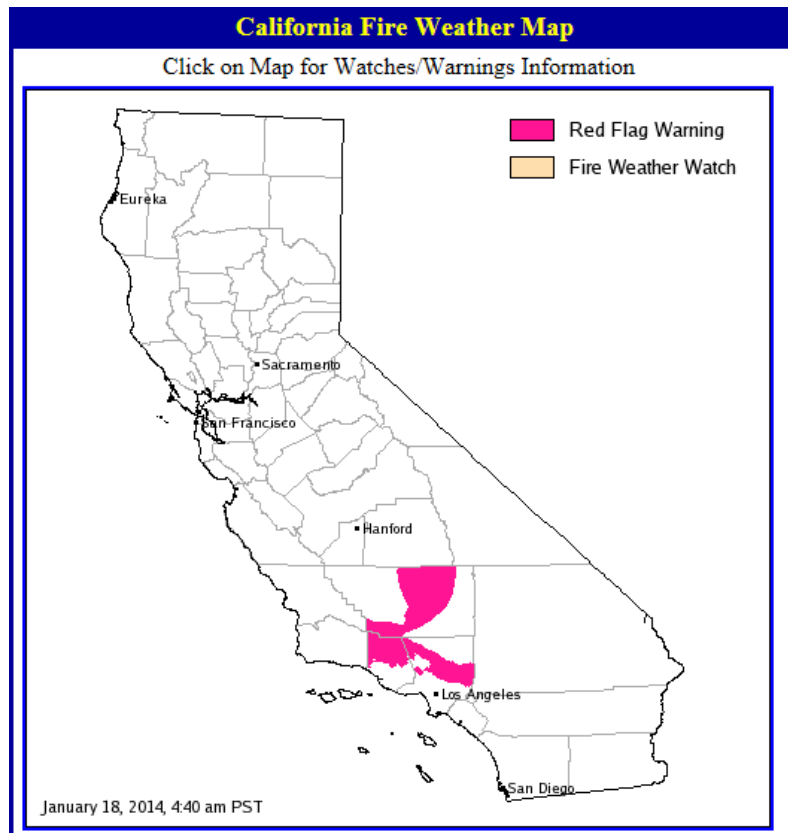

State Weather Map

Fire Weather

Red Flag Warning in effect until 1800 hours Saturday for the Kern County Mountains, inland mountains of Los Angeles and Ventura Counties for gusty Santa Ana Winds and very low humidity.

State Fire Weather Map

SIGNIFICANT EVENTS/ACTIVITY:

Cal EOC Incident - Influenza 2014 (Updated)

* During Week two, increases in laboratory detections of influenza and influenza-associated deaths in person <65 were reported in multiple regions statewide. CDPH reports that the official count of influenza fatalities in California is 45 an increase of 38 over last week's reporting period.

*The 45 influenza-associated deaths this season have been reported by the following counties: Alameda (3), Contra Costa (2), Kern (1), Kings (2), Lassen (1), Los Angeles (4), Marin (2), Mendocino (1), Merced (2), Orange (3), Riverside (1), Sacramento (5), San Bernardino (4), San Diego (3), San Francisco (1), San Mateo (2), Santa Barbara (1), Santa Clara (3), Sonoma (1), and Stanislaus (3). The pediatric deaths occurred in Los Angeles and San Mateo counties.

* While outpatient visits for influenza-like illness and hospitalizations for pneumonia and influenza at Kaiser Permanente facilities remain above expected levels for this time of year, the levels have decreased from Week 1 to Week 2 by 5.4 percent.

* The H1N1 strain still appears to be the predominant strain so far this flu season and is one that is contained in the current flu vaccine.

* The CDPH and EMSA Medical and Health Coordination Center (MHCC, formerly the Joint Emergency Operations Center) remains activated.

* EPO facilitated a teleconference for local Stakeholders on January 14, 2014 and participated in a teleconference facilitated by EMSA regarding the effects of influenza on the emergency medical system on January 16, 2014.

* MHCC staff conducted an initial incident briefing with the California Department of Corrections and Rehabilitation on January 15, 2014.

* CDPH and EMSA have not received any resource requests and none are anticipated at this time.

CDPH and EMSA activated the Medical and Health Coordination Center (MHCC) at noon on January 10, 2014 in response to an increase in influenza-like illness (ILI) and medical surge occurring throughout California.

CDPH and EMSA will distribute a weekly Public Health and Medical Situation Report.

The full CDPH/EMSA Report for 01/15/2104 is attached.

The next CDPH Flu update will be Friday, January 24.

Cal EOC Incident – 2014 Drought (No change)

The lack of winter rain and snowfall has resulted in drought conditions throughout the State. Some local jurisdictions are implementing mandatory conservation orders. Reservoir levels are down significantly from where they should be on average for this time of year. Severe impacts to municipal water supplies, agriculture (plants and livestock) and firefighting capabilities are likely in store for the State over the next few months. The Governor has established a Drought Task Force to oversee and coordinate the response to this event.

The Task Force continues to be in very close contact with local jurisdictions and state agencies to monitor the health of state's water, agriculture, and economy. On 01/03/14, the state conducted its first snow survey of the wet season and found more bare ground than snow. Statewide the snowpack water content is just 20 percent of average for this time of year.

Update 01/12/14: The Task Force has compiled a list of expectations, actions, impacts, funding sources and implementation timeframes by participating agencies/departments for a Governor's Brief which occurred on Monday, 01/13/2014.

Drought Resolutions/Proclamations

Governor Brown Declares Drought State of Emergency (No Change)

On January 17, 2014, with California facing water shortfalls in the driest year in recorded state history, Governor Edmund G. Brown Jr. today proclaimed a State of Emergency and directed state officials to take all necessary actions to prepare for these drought conditions.

In the State of Emergency declaration, Governor Brown directed state officials to assist farmers and communities that are economically impacted by dry conditions and to ensure the state can respond if Californians face drinking water shortages. The Governor also directed state agencies

to use less water and hire more firefighters and initiated a greatly expanded water conservation public awareness campaign.

01/07/14 - Mendocino County – no request for state assistance at this time

01/08/14 – City of Willits, Mendocino County – no request for state assistance at this time

01/14/14 – Brookside Township, Mendocino County – An unincorporated area near Willits, Mendocino County, enacted mandatory water restrictions and declared that a local emergency and imminent threat of disaster due to drought conditions. Regional Staff is gathering more information and making an assessment.

01/15/14 – Kern County – Requesting the State to facilitate the transfer and distribution of emergency water supplies to Kern County as well as coordinate with other State and Federal agencies to assist water suppliers and identify risks to water supplies.

01/17/14 - Santa Barbara County has declared a local emergency due to the drought conditions and projected driest year on record. There is no request for State assistance.

Outreach continues to determine needs (food, water, evacuation, etc.).

Utilities

Per the California Utilities Emergency Association (CUEA) there are no current infrastructure threats

* Per Southern California Edison representative, there are 38 (-50) residences without power in the City of Glendora. Per Cal OES Southern Duty Officer, Estimated Time of Restoration is 1800 hours, 01/19/14

Cal OES Duty Officers continue to monitor the situation.

CAL OES MISSIONS:

New Missions: NSTR

Ongoing Missions:

2014-Coastal-2015 The Cal OES Coastal Duty Officer (CDO) advises a mission has been opened to support a Mendocino County request for a Department of Water Resources (DWR) Systems Specialist (or individual with like qualifications). The individual is requested to assist

developing issues with water system delivery issues due to the drought. DWR is aware of the request.

2013-LAW-1563 Plumas County Sheriff's Office (PCSO) has requested Human Remains Detection K9 for a previous investigation which was suspended in November of 2013. PCSO will be utilizing a Nevada County SO SAR K9 resource for the mission. Search activity will be conducted potentially through this weekend dependent on weather and personnel.

2014-LAW-1918 01/06/14, 1412 hours, The Sacramento County Sheriff's Dept. (SCSD) contacted Cal OES Law Branch and advised that new information has prompted a fresh search for a missing couple who were reportedly fishing in the Rio Vista area of Sacramento County. The original search (2013-LAW-1734) utilizing mutual aid resources occurred on 12/02/13 – 12/03/13, but yielded negative results. On 01/10/14 one Missing Person was located during search efforts (deceased). On 01/13/14 at 1600 hours, per Sacramento County Sheriff's Marine Detail, CARDA Water HRD K-9 teams identified an area of interest. A subsequent search using sonar equipment revealed the second victim may have been located. On 01/14/14, per Sacramento County Sheriff's Department, the dive operations conducted yesterday did not produce any new clues or recovery of the second victim. A private consultant will continue to search the area with sonar until the identified search area is completed. Solano County and Sacramento County will coordinate a dive operation on a vehicle found north of the point last seen (PLS) in the event river current or tide movement pushed the victim in the area of the vehicle. The Dive operation is scheduled to occur on Saturday, 01/18/14.

Closed Missions: NSTR

CAL OES ACTIVATIONS: NSTR

CAL OES DEPLOYMENTS:

Cal OES Public Assistance Staff Deployments, Rim Fire Recovery, Tuolumne County
Five (5) PA staff members (Jim Lishman, John Schuessler, Sean Smith, Tim Smith and Reuben Bernaldez) are currently deployed for the current Operational Period 01/09/14 – 01/23/14 (DR-4158).

AGENCY/DEPARTMENT REPORTS:

California Department of Public Health (CDPH)/Emergency Medical Services Authority (EMSA) - The next CDPH Flu update will be Friday, 01/24/14.

UPCOMING EVENTS, TRAINING, EXERCISES: NSTR
